  - Roadside Cleanup
  - Howling Party
- Fall Activity Day
- Shopping trips to Green Bay, WI
- Weekly Assemblies
  - Paul Chamberlin, from Senator Johnson's office
  - Habitat for Humanity
  - Organizational workshop

## STUDENT COUNCIL ELECTIONS

Voting for the 2019-20 Student Council concluded last week. Our new council is looking forward to their first meeting next quarter to discuss their plans for the rest of the year.

## SPECIAL ASSEMBLY

On October 2, NSA enjoyed a special assembly with Paul Chamberlin, a representative from Senator Ron Johnson's office. He spoke to the students about his most recent project and challenged them to work hard and aim for excellence.

**Clubs** give students two hours a week to learn a new skill in a small group setting.

**The Automotive Mechanics Club** practiced their skills by helping replace the brake lines on one of our school vans.

# FIRST QUARTER

## CLUBS

We offered five after-school clubs this quarter! Students could choose to join one of the following clubs:

- The Great Outdoors
- Soccer
- Automotive Mechanics
- High Ropes
- Canoeing and Kayaking

Clubs meet on Mondays and Wednesdays, giving students two hours a week to learn a new skill in a small-group setting. The clubs, led by NSA teachers and campus staff, enjoyed a variety of activities across campus and in the local area. The Great Outdoors Club (pictured on pg. 1) visited several state parks and waterfalls. The Canoeing and Kayaking Club learned water safety and boating techniques on our own lake. The High Ropes Club learned climbing techniques and safety on two climbing walls on campus. The Soccer Club learned the basic rules and gameplay of their sport and enjoyed a lot of practice time.

## MEET MR. TODD, HEAD OF SCHOOL

Dear Parents and Guardians,

Thank you for entrusting us with your child this school year. I have gotten to know each of our students and enjoy hearing about their families and customs. My family consists of my wife, Angela, and our daughters Amanda, Abby and Victoria ("adopted" international student from China). Our girls live in Guam, South Carolina and Arizona. I moved here from Arizona in August, so I certainly have noticed the temperature change. I have been in education for over twenty-five years as a teacher, principal and head of school. I have also served in the Air National Guard for over thirty years. I look forward to meeting you whether it is here on campus or traveling to your country to help in the recruitment of new students.

Thad Todd

Head of School
