# ***What to Pack for the Academic School Year***

### **School Supplies**

- **A student-supplied laptop computer is required**
- A good dual language dictionary either electronic or paper (international students)
- Calculator
- Academic supplies such as paper clips, paper, staplers, tape, highlighters, pens, pencils, scissors, rulers, etc. can be purchased from during shopping trips
- After each student receives their course requirements for individual classes, additional items i.e., notebooks, binders, journals may also be purchased during shopping trips or possibly at the campus book store.

### **Clothing Needs**

Clothes should be neat, clean, and in good taste. Shoes/sandals are required to be worn at all times at school and should be appropriate for weather conditions/seasons and activities. Clothes should be the appropriate size for the student and should cover cleavage, midriffs, and backs. Clothes may not have any graphics or sayings that are derogatory, non-tolerant of others, or promote alcohol or drug use.

- Dress pants and shirt/blouse or nice dress for semiformal occasions or ceremonies/special occasions
- Inclement weather clothing, such as raincoat, winter coat, hat, gloves, boots, umbrella
- Sports (athletic) clothing
- Lounge clothing, shirts, sweatpants, pajamas
- Personal garments
- Swim suit

### **Room Needs**

Each student room in the dormitories has regular twin beds, desks, desk chairs, dressers, closet space, and window shades. Each resident is assigned their own storage space on the lowest level of the dorms.

- Regular twin sheets, blanket, pillow and pillow cover, and comforter or bed covering are supplied for each student
- Students must supply towels and washcloths
